Income	<p>Eligible Income</p> <ul style="list-style-type: none"> • Full income documentation is required per Appendix Q • Employed borrowers: Most recent paystub dated within 90 days of note date, but no more than 30 days prior to application date. Paystub should cover a minimum of 30 days. Two years W-2's are required. If a Request for Verification of Employment is used, the file must also include paystubs covering a 30 day period and the most recent year's W-2. If tax returns are required, they must be signed and dated. If an automated verification system, such as The Work Number is utilized, then no

paystub or W-2 is required. If the paystub does not contain YTD earnings, then a WVOE of employment is required.

- Self-employed borrowers (sole proprietorships, corporations, "S" corporation/limited liability, or partnership), where borrower has 25% or more ownership interest must provide the following documentation:
 - Signed, dated individual tax returns, with all applicable schedules for the most recent two years,
 - For a corporation, "S" corporation, or partnership, signed copies of Federal business income tax returns for the past 2 years, with all applicable schedules;
 - Full profit and loss (P & L) statement and balance sheet for current year to date.
 - Income documents are required regardless of whether income is being used for qualifying purposes per Appendix Q.
- 4506T/Tax Transcript Policy:
 - IRS Form 4506T is required to be signed and executed during the origination process, and transcript documentation for the most recent two years must be provided in the closed loan file.
 - For self-employed borrowers, this applies to both personal returns and business returns (for businesses where borrower has 25%).
 - Full 1040 tax transcripts for all years of income received must match W-2s and signed tax returns
 - Form 4506T must also be signed at closing.
- Rental income calculation:
 - If property was acquired subsequent to the most recent tax filing year, a signed lease agreement should be used to calculate qualifying rental income.
 - Rental income should be calculated using the 1040 tax return (Schedule E) information.
 - In the event rental income is reporting for only 1 year, a 12 month average of the rental income can be used.
 - If the rental property has been owned by the borrowers for equal to or more than two years, the rental income should be calculated using 1040 tax return (Schedule E) information averaged for the last 24 months. If the rental income declined in the most recent tax return then a 12 month average of the prior year rental income should be used.
 - Per Appendix Q, a current lease agreement is always required to verify that the property will continue to be rented.
- Boarder income:
 - Rental income from roommates or boarders in a single family property occupied as a primary residence is acceptable.
 - The rental income may be considered effective income if shown on the borrower's tax return. If not on the tax return, rental income paid by the roommate or boarder may not be used in qualifying.

 - An LLC or partnership in which the borrower(s) have an individual or joint ownership of 100%
 - The original purchase transaction is document by a HUD-1/Closing Disclosure, which confirms that no mortgage financing was used to obtain the subject property. (A recorded trustee's deed [or similar alternative] confirming the amount paid by the grantee to trustee may be substituted for a HUD-1/Closing Disclosure if a HUD-1/Closing Disclosure was not provided to the purchaser at time of sale). The preliminary title search or report must confirm that there are no existing liens or subject property.
 - The sources of funds for the purchase transaction are documented (such as bank statements, personal loan documents, or a HELOC on another property).
 - If the source of funds used to acquire the property was an unsecured loan or a loan secured by an asset other than the subject property (such as a HELOC secured by another property), the HUD-1/Closing Disclosure for the refinance transaction must reflect that all cash-out proceeds be used to pay down, if applicable, the loan (unsecured or secured by an asset other than the subject property) used to purchase the property. Any payments on the balance remaining from the original loan must be included in the debt-to-income ratio calculation for the refinance transaction. **Note:** funds received as gifts and used to purchase the property may not be reimbursed with proceeds of the new mortgage loan.
 - The new loan amount can be no more than the actual documented amount of the borrower's initial investment in purchasing the property plus the financing of closing costs, prepaid fees, and points on the new mortgage loan.
 - May be underwritten and priced as a rate term refinance
 - Maximum LTV is per the LTV Matrix. LTV is based on the lesser of the purchase price or current appraised value.
 - Maximum loan amount is per the LTV Matrix. Rate term cash back amount restrictions does not apply.

Cash Out Refinance

- The mortgage amount may include the present first mortgage payoff, subordinate liens, closing cost, payoff of debt and additional cash to the borrower
- Borrower must have owned the property of a minimum of 6 months (date vested on title to note date).
- All liens on the property must be seasoned six months in order the loan to be eligible for a cash-out refinance transaction.
- Borrower owned the property for less than 12 months (measured from the HUD-1/Closing Disclosure closing date to the application date of the new loan): The LTV is based on the lesser of the current appraised value or the sales price plus any documented improvement costs.
- Properties listed for sale: the listing agreement must be cancelled at least six months prior to the application date. A copy of the cancelled /expired listing should be placed in the file and a search of the current multiple listing services should be completed to verify that the property is not currently listed by a different agency.
